IF YOU ARE INSTALLING THE LICENSED SOFTWARE AS PART OF YOUR WORK FOR AN ORGANIZATION, THIS LICENSE AGREEMENT APPLIES TO AND BINDS SUCH ORGANIZATION. “LICENSEE” OR “YOU” AND “YOUR” REFER TO THE PERSON OR ENTITY THAT IS LICENSEE OF THE LICENSED SOFTWARE. BY INSTALLING, COPYING, OR OTHERWISE USING THE LICENSED SOFTWARE THAT ACCOMPANIES THIS LICENSE AGREEMENT, YOU OR SUCH ORGANIZATION AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT. 1. DEFINITIONS.

1.1 “Application” means a software application created by a Licensed Developer to support the internal operation of Licensee’s business that makes use of or incorporates the Licensed Software in its implementation without exposing any part of the Licensed Software application programming interface either directly or indirectly.

1.2 “Licensed Desktop” means a single physical computing device consisting of not more than 8 physical processing cores, owned or leased by Licensee or contractors under Licensee’s control, for which Licensee has paid the applicable deployment license fees required for a single individual to deploy and use Applications on such device. Licenses for Licensed Desktops are priced on an individual or academic user, platform specific, per product, per physical machine basis.

1.3 “Licensed Developer” means a Licensed User for whom Licensee has paid the applicable development license fees required to authorize such person to use the Licensed Software to develop Applications on Licensee’s behalf. Licenses for Licensed Developers are priced on an individual or academic user, platform specific, per product basis.

1.4 “Licensed Instance” means a specific individual public or private computing environment for which Licensee has paid the applicable deployment license fees required to authorize Licensee to deploy Applications on the instance. Licenses for Licensed Instances are priced on a term-based with specific rights and restrictions defined per product, per platform, per instance (e.g., type, architecture, vCPUs, vCores, cloud elasticity, containers, clusters, memory, and storage) basis.

1.5 “Licensed Server” means a single physical computing device consisting of a specific number of physical CPU cores, owned or leased by Licensee or contractors under Licensee’s control for which Licensee has paid the applicable deployment license fees required to authorize Licensee to deploy and use Applications on such physical device. Licenses for Licensed Servers are priced on a standard or academic, platform specific, per product, per physical core basis.

1.6 “Licensed Software” means Rogue Wave’s proprietary IMSL® Java Numerical Library, in object code format only, together with the user guides, reference manuals, program listings, flow charts, logic diagrams, functional specifications, instructions and other documentation accompanying such software or otherwise made available by Rogue Wave (collectively, the “Documentation”) for which Licensee has paid the applicable license fees, and any modified or updated versions of any of the foregoing made available to Licensee pursuant to Licensee’s purchase of Maintenance and Support under the same terms and conditions. Licensed Software does not include any third-party software products that may be embedded in or bundled with the Licensed Software, which products are separately licensed by the copyright holder.

1.7 “Licensed User” shall mean a natural person employed by or under contract to Licensee who is assigned a unique and fixed user account to consume one license to use the Licensed Software, Output, or an Application, under this License Agreement, regardless of whether such individual is actively using the Licensed Software, Output, or an Application at any given time. Licenses for Licensed Users are priced on a per seat or site subscription basis.

1.8 “Maintenance and Support” means the technical support and software maintenance services on the Licensed Software for which Licensee has paid the applicable fees, which, for a perpetual license of the Licensed Software, will be a separately stated fee, and, for Licensed Software licensed as a subscription, will be included in the subscription fee.

1.9 “Output” shall mean the data in electronic or other format containing the results generated by using the Licensed Software.

2. LICENSE GRANTS.

2.1 Development License Grant. Subject to the terms and conditions of this License Agreement, and upon payment of the applicable fees, Rogue Wave shall grant to Licensee a nonexclusive, nontransferable, limited right and license to permit Licensed Developers to install and use the Licensed Software in object code form for the sole purpose of creating and testing Applications.

2.2 Deployment and Use License Grant. Subject to the terms and conditions of this License Agreement, and upon payment of the applicable fees, Rogue Wave shall grant to Licensee a nonexclusive, nontransferable, limited right and license to permit Licensed Developers to install Applications on Licensed Desktops and/or Licensed Servers, as applicable, located at facilities owned by Licensee or contractors under Licensee’s control, and/or Licensed Instances, whether or not located at facilities owned or leased by Licensee or contractors under Licensee’s control, and to Licensed Users to use such Applications.

2.3 Site License Grant. Rogue Wave may, from time to time, indicate that a site license is available for the Licensed Software for the internal development and deployment licenses granted in Sections 2.1 and 2.2 above. Subject to the terms and conditions of this License Agreement, including Section 3.4, and upon payment of the applicable site subscription fees, Rogue Wave shall grant to Licensee a nonexclusive, nontransferable, limited right and license to permit Licensed Users at the site for whom Licensee has paid the applicable site license fees to install and use, or otherwise access, the Licensed Software solely for Licensee’s direct internal business purposes. For purposes of determining the applicable site license fee, a non-human operated device will be counted as a Licensed User at a site if such device could access such Licensed Software, Output, or an Application.

2.4 Per Seat License Grant. Rogue Wave may, from time to time, indicate that a per seat license is available for Licensed Users for the internal development and use of the Licensed Software. Subject to the terms and conditions of this License Agreement, including Section 3.4, and upon payment of the applicable per seat subscription fees, Rogue Wave shall grant to Licensee a nonexclusive, nontransferable, limited right and license to permit Licensed Users for which Licensee has paid the applicable per seat subscription license fees, to install, develop and use the Licensed Software, in object code form, solely for Licensee’s direct internal business purposes.

3. LICENSE RESTRICTIONS AND LICENSEE RESPONSIBILITIES.

3.1 Development Restrictions. The development rights granted to Licensee may only be exercised by Licensed Users that Licensee has designated as either a Licensed Developer or a “Licensed User” and for whom Licensee has paid the applicable license fees. If one supported Licensed Developer or a Licensed User ceases to be employed by or under contract to Licensee or permanently ceases work on projects involving the Licensed Software, then Licensee may designate an alternate person to replace such Licensed Developer or a Licensed User at no additional cost. However, individual licenses may not be used by different persons in shifts. Licensee may not create a programmatic interface that makes use of the Licensed Software application programming interfaces for use by any party other than Licensed Developers or a Licensed User and must ensure that persons other than Licensed Developers or a Licensed User do not have programmatic access to the Licensed Software either directly or

indirectly. Licensee may not allow anyone other than a Licensed Developer or a Licensed User to use the Licensed Software or Documentation for the development of Applications or allow Licensed Developers or a Licensed User to use the Licensed Software or Documentation for any purpose except for the development of Applications.

3.2 Deployment and Use Restrictions. The deployment rights granted to Licensee may only be exercised on specific physical computers or devices owned or leased by Licensee or provided to contractors under Licensee's control, located at facilities owned or leased by Licensee (collectively, "Licensed Computers") and for which Licensee has paid the applicable deployment or site license fees. If a supported Licensed Computer on which an Application has been deployed fails or is permanently decommissioned or taken out of service, Licensee may designate an alternate equivalent physical computer from the same manufacturer using the same platform to replace such Licensed Computer at no additional cost. The deployment rights for Licensed Instances granted to Licensee may only be exercised on the specific environment for which Licensee has paid the applicable fees. Licensee may not install Applications on additional or alternate sites, instances or on back-up or fail-over computers without paying the applicable fees for such sites, instances or computers. Notwithstanding any license management mechanisms used by the Licensed Software, Licensee is responsible for ensuring that the Licensed Software is not used in excess of those licenses for which Licensee has paid the applicable fees. Academic license rights may only be exercised by a teacher or student at an accredited institution that is organized and operated exclusively for the purpose of teaching its enrolled students (e.g., a university, college or high school), and for which such institution has been granted a discount to authorize such teacher or student to use the Licensed Software solely for student instruction and learning. Academic license rights may not be used for commercial purposes, including, without limitation, for publication of research findings, to comply with requirements of outside fundings, or as a means to advertise the educational institution. Academic discounts are not available for satellite organizations such as research laboratories and hospitals.

3.3 Distribution Restrictions. Except as may be otherwise specified in a written addendum to this License Agreement executed by Rogue Wave, Licensee has no right to copy for distribution, distribute or permit deployment of the Licensed Software or Applications on computers or at facilities not owned or leased by Licensee or contractors under Licensee's control.

3.4 Restrictions on use of the Output and Applications. In addition to the restrictions contained in this Section 3, the Licensee shall not provide the Output or Applications to parties who are not Licensed Users. Only Licensed Users for whom Licensee has paid the applicable per seat or site license fees may make use of the Licensed Software, Output or Applications. Licensee shall not commercialize in any way the Output or Application including, without limitation, by licensing, sub-licensing, assigning, or sub-contracting the use of the Output or Application.

3.5 General Use Limitations. All rights not specifically granted herein are retained by Rogue Wave. Licensee may not, nor may Licensee permit any other person or entity to use, copy, modify, or distribute the Licensed Software (electronically or otherwise), or any copy, adaptation, transcription, or merged portion thereof, or the Documentation except as expressly authorized by Rogue Wave. In connection with this license for the Licensed Software, Licensee may make or have made one copy of the Licensed Software for back-up or disaster recovery purposes, provided, that Rogue Wave's copyright notice and other proprietary rights notices are reproduced on the copy. Licensee may not modify or port the Licensed Software to operate on or deploy the Licensed Software or Applications on platforms, or otherwise use the Licensed Software, other than those for which it has paid the appropriate fees. Licensee may not, nor may Licensee permit any other person or entity to, reverse assemble, reverse compile, or otherwise translate any binary forms of the Licensed Software, except to the extent applicable laws specifically prohibit such restriction. Licensee's rights may not be transferred, leased, assigned, or sublicensed. No service bureau work, multiple-user license, or time-sharing arrangement is permitted, except as expressly authorized by Rogue Wave. If Licensee uses, copies, or modifies the Licensed Software or transfers possession of any copy, adaptation, transcription, or merged portion thereof to any other party in any way not expressly authorized by Rogue Wave, all licenses under this License Agreement are automatically terminated.

3.6 Proprietary Protection. Rogue Wave shall have sole and exclusive ownership of all right, title, and interest in and to the Licensed Software and all modifications and enhancements thereof (including ownership of all trade secrets and copyrights pertaining thereto), subject only to the rights and privileges expressly granted to Licensee herein by Rogue Wave. This License Agreement does not provide Licensee with title or ownership of the Licensed Software, but only a right of limited use. Licensee must keep the Licensed Software free and clear of all claims, liens, and encumbrances.

3.7 Compliance Verification. Licensee must have a commercially-reasonable process in place to track (i) the number of Licensed Developers using the Licensed Software, (ii) with regard to the licensing of Licensed Computers, the number of computers on which Applications are deployed, as well as the platforms used by and the number of CPUs and cores contained on such computers, (iii) with regard to licensing of Licensed Users, the number of Licensed Users in order to ensure that the appropriate license fees have been paid and, (iv) with regard to the licensing of Licensed Instances, the scope of usage of Applications on such instances in order to ensure that the appropriate license fees have been paid. Licensee will, upon Rogue Wave's request, certify in writing the number of Licensed Developers and Licensed Users using the Licensed Software and/or the number and deployment details of computers and/or instances on which the Licensed Software is deployed, on a per product basis. Upon providing Licensee advance notice, Rogue Wave, or a mutually approved independent representative, will be permitted to verify Licensee's compliance with the terms of this License Agreement. Any such verification process will be: (a) restricted in scope, documentation, manner, and duration to that which is reasonably necessary to achieve its purpose; and (b) conducted during regular business hours at Licensee's facilities if a remote verification process is not possible. Rogue Wave will not unreasonably interfere with Licensee's business activities during such verification process. Licensee will be liable for promptly remedying any underpayments revealed during the audit at the then-current list price.

3.8 Confidentiality. Licensee agrees that all material and information relating to the Licensed Software is made available for use solely under and in accordance with the terms and conditions of this License Agreement. Licensee has no right at any time during or after cancellation or termination of this License Agreement to disclose such material and/or information relating to the Licensed Software, whether directly or indirectly, to any third-party without Rogue Wave's prior written approval. Licensee shall hold harmless, defend and indemnify Rogue Wave from and against any and all losses, costs, damages and expenses arising out of or in connection with Licensee's failure to comply with requirements of this Section 3.

3.9 Relationship with End Users. There are no third-party beneficiaries to this License Agreement. Consequently, Rogue Wave provides no warranty at all to any person, other than the limited warranty provided to Licensee hereunder. Licensee will be solely responsible for the development of the Applications authorized by this License Agreement and for providing all support or services required or requested by end users of the Applications. Licensee will not make any representations or warranties to its employees, customers, end users or any other third-party on Rogue Wave's behalf. Rogue Wave assumes no responsibility under this License Agreement, either directly or indirectly, for damages to Licensee or third parties resulting from the direct or indirect use of the Applications created by or on behalf of Licensee.

3.10 Remedies. Licensee acknowledges that, in the event of Licensee's breach of any of the foregoing provisions, Rogue Wave will not have an adequate remedy in money or damages. Rogue Wave will therefore be entitled to obtain an injunction against such breach from any court of competent jurisdiction immediately upon request without posting a bond. Rogue Wave's right to obtain injunctive relief shall not limit its right to seek further remedies.

4. DELIVERY; FEES; PAYMENT; RENEWAL; ADDITIONAL LICENSED USERS.

4.1 Acceptance of Licensed Software. Except as may otherwise be agreed upon in writing between Rogue Wave and Licensee, the Licensed Software shall be deemed to be accepted upon delivery of the Licensed Software and Documentation.

4.2 Fees. License fees, and, if applicable, Maintenance and Support fees, will be as set forth on the applicable invoice. All license fees and Maintenance and Support fees that are invoiced to Licensee will be payable by Licensee in United States Dollars, unless otherwise billed in another currency as provided in the invoice.

4.3 Payment. Except as otherwise provided in an invoice, all invoices shall be due and payable within thirty (30) days after the invoice date. If Licensee fails to pay any amounts due under this License Agreement by the due date, Rogue Wave will have the right to charge interest at a rate equal to the lesser of 1.5% per month, or the maximum rate permitted by applicable law, until Licensee pays all amounts due.

4.4 Automatic Renewal. Unless otherwise agreed upon in writing between Rogue Wave and Licensee, Maintenance and Support and Licensed Software licensed as a subscription under this License Agreement will automatically renew upon the expiration of the term specified in your existing order (the “Anniversary Date”) for a period of equal duration (the “Renewal Term”), and the Maintenance and Support fee and/or the Licensed Software subscription license fee for such Renewal Term will be invoiced at least 45 days prior to the upcoming Anniversary Date, unless either party provides written notice of its intent not to renew the Maintenance and Support at least 60 days prior to the Anniversary Date. Rogue Wave reserves the right to increase the Maintenance and Support fee and/or the Licensed Software subscription license fee for the Renewal Term in an amount not to exceed five percent (5%) over the fees charged in the prior, expiring term (which such increase will not take into account any transaction incentives included on a prior order).

4.5 Taxes. All License and Maintenance and Support fees are exclusive of all sales, value added taxes, goods, and services taxes, withholding taxes, customs duties, or similar taxes, duties, and charges (collectively, “Taxes”). Such Taxes shall be incremental to any License and Maintenance and Support fees and shall be payable by Licensee in accordance with applicable law. Licensee shall pay to Rogue Wave an amount equal to any such Taxes actually paid, or required to be collected and paid, by Rogue Wave with respect to the transactions contemplated in this License Agreement, and under any subsequent invoice, unless Licensee provides Rogue Wave with a fully-completed certificate of exemption from any Taxes required to be collected and paid by Rogue Wave, which such acceptance of the certificate of exemption will be subject to Rogue Wave’s reasonable discretion.

5. MAINTENANCE AND SUPPORT OF LICENSED SOFTWARE. Rogue Wave or its authorized resellers shall provide maintenance and support on the Licensed Software at the level and for the period for which Licensee has paid the applicable fees. Maintenance and Support services provided by Rogue Wave are provided in accordance with Rogue Wave’s standard maintenance and support and obsolescence policies, which are subject to change. Maintenance and Support is limited to platforms listed on Rogue Wave’s current product support matrix, which is also subject to change. Licensee is responsible for ensuring that its environment is on the current product support matrix. Off-matrix support is available from Rogue Wave for an additional fee. Unless otherwise specified in a quote generated by Rogue Wave, at the end of the initial maintenance and support term, Maintenance and Support will automatically renew for successive terms of one (1) year subject to Licensee’s acceptance of Rogue Wave’s or its authorized reseller’s then-current fees, unless notice of non-renewal is given by either party no less than thirty (30) days before expiration of the term. Licensee will be deemed to have accepted Rogue Wave’s or its authorized reseller’s then-current fees for any successive term unless Licensee gives notice to Rogue Wave or its authorized reseller (as applicable) of its rejection of any increase in fees no later than thirty (30) days after Licensee receives notice thereof.

6. LIMITED WARRANTY, DISCLAIMER AND LIMITATION OF LIABILITY.

6.1 Limited Warranty. Rogue Wave warrants to Licensee and for Licensee’s benefit only that the unaltered Licensed Software, when used as permitted under the License Agreement and in accordance with the instructions in the Documentation, will operate substantially as described in the Documentation for a period of thirty (30) days from the date of delivery (the “Licensed Software Warranty Period”). Rogue Wave does not warrant that use of the Licensed Software will be uninterrupted or error-free, that all errors will be corrected, or that use of the Licensed Software will meet Licensee’s needs. Rogue Wave will, at its own expense and as its sole obligation and Licensee’s sole and exclusive remedy for any breach of this warranty, use commercially reasonable efforts to correct any reproducible error in the Licensed Software reported to Rogue Wave by Licensee in writing during the Licensed Software Warranty Period; provided, however, that no such error correction provided to Licensee will extend the original Licensed Software Warranty Period. If Rogue Wave determines that it is unable to correct the error, Rogue Wave may, upon approval by Licensee, refund to Licensee the fees paid by the Licensee for the defective Licensed Software and terminate the License Agreement and all licenses granted herein. In the event Licensee does not approve of such refund and termination of the License Agreement, Licensee will be entitled to keep the Licensed Software and use it pursuant to the licenses granted herein; provided, however, that Rogue Wave will not be obligated to provide Maintenance and Support for the Licensed Software that is impacted by the reported defect.

6.2 Exclusions. The limited warranty set forth above will not apply to defects resulting from, or because of, modifications made to the Licensed Software by anyone other than Rogue Wave, misuse, failure of media not furnished by Rogue Wave, operation with media, software or equipment not authorized by Rogue Wave in the Documentation or not meeting or not maintained in accordance with the supplier’s specifications, or causes other than ordinary use. The warranty set forth above will not be enlarged, diminished or affected by, and no obligation or liability will arise from, Rogue Wave’s rendering of technical advice, assistance or service in connection with Licensee’s selection or use of the Licensed Software. Certain open source or other-vendor software may be distributed with the Licensed Software or recommended in connection with its installation and use. Such products are provided or recommended for Licensee’s convenience only. Rogue Wave makes no representation or warranty of any kind regarding such products. Rogue Wave offers no support for such products and shall have no liability associated with their use. Licensee’s use of these products shall be in accordance with the licenses for such products, copies of which are included with the products and/or in the Documentation.

6.3 DISCLAIMER. EXCEPT FOR THE LIMITED WARRANTY SET FORTH IN SECTION 6.1 ABOVE, THE LICENSED SOFTWARE IS PROVIDED “AS IS,” WITHOUT REPRESENTATIONS OR WARRANTIES OF ANY KIND. ROGUE WAVE SPECIFICALLY DISCLAIMS ALL OTHER PROMISES, REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND ANY IMPLIED WARRANTY ARISING FROM COURSE OF PERFORMANCE OR COURSE OF DEALING.

6.4 LIMITATION OF LIABILITY. THE CUMULATIVE LIABILITY OF ROGUE WAVE TO LICENSEE FOR ALL CLAIMS RELATING TO THE LICENSED SOFTWARE AND THIS LICENSE AGREEMENT, INCLUDING ANY CAUSE OF ACTION SOUNDING IN CONTRACT, TORT, OR STRICT LIABILITY, SHALL NOT EXCEED THE TOTAL AMOUNT OF ALL FEES PAID TO ROGUE WAVE HEREUNDER. THIS LIMITATION OF LIABILITY IS INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS LICENSE AGREEMENT HAVE BEEN BREACHED OR HAVE PROVEN INEFFECTIVE. ROGUE WAVE SHALL HAVE NO LIABILITY FOR LOSS OF DATA OR DOCUMENTATION, IT BEING UNDERSTOOD THAT LICENSEE IS RESPONSIBLE FOR REASONABLE BACK-UP PRECAUTIONS. IN NO EVENT SHALL ROGUE WAVE BE LIABLE FOR ANY LOSS OF PROFITS; ANY INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES; OR ANY CLAIMS OR DEMANDS BROUGHT AGAINST LICENSEE, EVEN IF ROGUE WAVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH CLAIMS OR DEMANDS. THIS LIMITATION UPON DAMAGES AND CLAIMS IS INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS LICENSE AGREEMENT HAVE BEEN BREACHED OR HAVE PROVEN INEFFECTIVE. LICENSEE MAY HAVE ADDITIONAL RIGHTS UNDER CERTAIN LAWS (E.G., CONSUMER LAWS) THAT DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES. IF SUCH LAWS APPLY, CERTAIN EXCLUSIONS OR LIMITATIONS MAY NOT APPLY TO LICENSEE; HOWEVER, ALL OTHER RESTRICTIONS AND LIMITATIONS SHALL REMAIN IN EFFECT.

7. INDEMNIFICATION. Rogue Wave agrees to defend Licensee from and against any third-party claims alleging that the Licensed Software furnished and used within the scope of this License Agreement infringes or misappropriates a U.S. patent issued as of the effective date of this , copyright, trademark or trade secret and will pay all final judgments awarded or settlements entered into on such claims. The foregoing indemnity obligation shall not extend to any claims of infringement arising out of or related to (i) a modification of a Licensed Software by anyone other than Rogue Wave or its duly authorized agent; (ii) the incorporation into the Licensed Software of any information provided by or requested by Licensee; (iii) a combination of the Licensed Software with any third-party software or equipment not specified in the Documentation and where such combination is the cause of such infringement; or (iv) the use of a version of a Licensed Software other than the then-current version if the infringement would have been avoided by using of the then-current version. In the event the Licensed Software is held or is believed by Rogue Wave to infringe, Rogue Wave may, at its sole option and expense, elect to (a) modify the Licensed Software so that it is non-infringing; (b) replace the Licensed Software with non-infringing Licensed Software which is functionally equivalent; (c) obtain a license for Licensee to continue to use the Licensed Software as provided hereunder; or if none of (a), (b), or (c) is commercially reasonable, then (d) terminate the license for the infringing Licensed Software and refund to Licensee the Maintenance and Support fees, or the subscription fees, as applicable, paid for the remaining portion of the term of the affected license(s), and refund the license fees paid for that Licensed Software licensed on a perpetual basis prorated over a five (5) year term from the initial date of acceptance of the Licensed Software. THIS SECTION 7 STATES ROGUE WAVE’S

ENTIRE LIABILITY AND LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT OF THIRD-PARTY PROPRIETARY RIGHTS OF ANY KIND. Rogue Wave's indemnification obligations under this Section 7 are conditioned upon the Licensee (a) giving prompt notice of the claim to Rogue Wave; (b) granting sole control of the defense or settlement of the claim or action to Rogue Wave; and (c) providing reasonable cooperation to Rogue Wave and, at Rogue Wave's request and expense, assistance in the defense or settlement of the claim.

8. TERMINATION.

8.1 Term. The term of this License Agreement will begin as of the date that Licensee receives the Licensed Software and will remain in effect perpetually unless terminated under this Section 8.

8.2 Termination for Cause. Rogue Wave may terminate this License Agreement if Licensee breaches its obligations hereunder. Rogue Wave will affect such termination by giving Licensee notice of termination, specifying therein the alleged breach. If the breach is curable, Licensee will have a grace period of thirty (30) days after such notice is served to cure the breach described therein. If the breach is cured within the thirty (30) day grace period, then this License Agreement will remain in effect; otherwise, this License Agreement will automatically terminate upon the conclusion of the thirty (30) day grace period.

8.3 Effect of Termination. Upon termination of the License Agreement for any reason the following terms shall apply: (a) all rights granted under this License Agreement will immediately terminate and Licensee must immediately stop all use of the Licensed Software; (b) Licensee must return to Rogue Wave or destroy all copies of the Licensed Software provided to or made by or on behalf of Licensee, and will, within ten (10) days after the effective date of termination, provide Rogue Wave with written certification that all such copies have been returned or destroyed; and (c) all provisions of this License Agreement with the exception of the licenses granted in Section 2 and Maintenance and Support obligations set forth in Section 5 will survive termination of this License Agreement for any reason. Termination of the License Agreement will not affect Licensee's obligation to pay all amounts accrued hereunder prior to the effective date of termination. Licensee agrees that the termination of this Agreement by Rogue Wave can never entail liability for Rogue Wave to pay damages to Licensee for anticipated or missing profits that could otherwise have arisen through Licensee's use of the License.

9. MISCELLANEOUS.

9.1 Severability. If any term or provision of the License Agreement is found to be invalid under any applicable statute or rule of law, then, that provision notwithstanding, the License Agreement will remain in full force and effect, and in such event, such provision will be changed and interpreted so as to best accomplish the objectives of such unenforceable or invalid provision within the limits of applicable law or applicable court decisions.

9.2 Governing Law/Forum Selection. This License Agreement and any claim, cause of action or dispute arising out of, or related thereto, shall be governed by and construed in accordance with the laws of the State of Delaware, regardless of Licensee's country of origin or where Licensee uses the licenses from, without giving effect to any conflict of law principles, which would result in the application of the laws of a jurisdiction other than the State of Delaware. Any dispute, claim, or controversy arising out of, connected with, or relating to this License Agreement, the Licensed Software, or any use related thereto, will be submitted to the sole and exclusive jurisdiction of the competent court located in State of Delaware. The 1980 United Nations Convention on Contracts for the International Sale of Goods, any state's enactment of the Uniform Computer Information Transactions Act, and the United Nations Convention on the Limitation Period in the International Sale of Goods, and any subsequent revisions thereto, do not apply to this License Agreement.

9.3 No Joint Venture. Nothing contained in the License Agreement will be construed so as to make the parties partners or joint venturers or to permit either party to bind the other party to any agreement or purport to act on behalf of the other party in any respect.

9.4 Waiver and Modifications. No amendment or modification of this License Agreement, nor any waiver of any rights hereunder, will be effective unless assented to in a writing signed by authorized representatives of both parties. Any such waiver will be narrowly construed to apply only to the specific provision and under the specific circumstances for which it was given and will not apply with respect to any repeated or continued violation of the same provision or any other provision. No other course of dealing between or among any of the parties to this License Agreement or any delay in exercising any rights pursuant to this License Agreement will operate as a waiver of any rights of any party to this License Agreement. Except as expressly provided in this License Agreement, no party who is not a party to this License Agreement will have any right or obligation pursuant to this License Agreement.

9.5 Import/Export Law. Licensee may not import, use or otherwise export or re-export the Licensed Software except as authorized by United States law and the laws of the jurisdiction in which the Licensed Software was obtained.

9.6 Federal Government End Use Provisions. Rogue Wave may provide the Licensed Software for ultimate federal government end use solely in accordance with the following: Government technical data and software rights related to the Licensed Software include only those rights customarily provided to the public as defined in this License Agreement. This customary commercial license is provided in accordance with FAR 12.211 (Technical Data) and FAR 12.212 (Computer Software), and the Department of Defense transactions, DFAR 252.227-7015 (Technical Data – Commercial Items) and DFAR 227.7202-3 (Rights in Commercial Computer Software or Computer Software Documentation). If a government agency has a need for rights not conveyed under these terms, it must negotiate with Rogue Wave to determine if there are acceptable terms for transferring such rights, and a mutually acceptable written addendum specifically conveying such rights.

9.7 Assignment. This License Agreement, or any of your rights and obligations under this License Agreement, cannot be assigned or otherwise transferred in whole or in part, and any such attempted assignment or transfer by Licensee in violation of the foregoing will be null and void.

9.8 Entire Agreement. This License Agreement, including all invoices hereunder, constitutes the sole and entire agreement of the parties with respect to the subject matter hereof and supersedes and cancels any prior and contemporaneous oral or written proposals, promises, or agreements. There are no promises, covenants or undertakings other than those expressly set forth in this License Agreement. If Licensee issues a Licensee purchase order, or any other Licensee generated documentation, and the terms and conditions conflict with this License Agreement, the terms and conditions contained in this License Agreement, including all invoices incorporated hereunder, will control. For purposes of clarity, no terms or conditions, including any pre-printed or boilerplate terms and conditions, stated in any Licensee purchase order, or in any other Licensee documentation, will be incorporated into or form any part of this License Agreement, and all such terms or conditions will be null and void and of no force and effect.

10. EVALUATION LICENSE. The terms of this Section 10 shall solely apply to Licensed Software licensed for purposes of Evaluation (the "Evaluation Software"). The terms of Sections 2, 6.1, 6.2, 6.3 and 8 shall not apply to the parties' rights and obligations with respect to Evaluation Software.

10.1 Rights and Restrictions.

(a) Rogue Wave grants Licensee a non-exclusive, non-transferable license to (i) install the Evaluation Software on Licensee's internal server in the country to which such Evaluation Software is delivered, and (ii) use the Evaluation Software for the sole purpose of internally evaluating the Evaluation Software, for a period agreed to in writing between Licensee and Rogue Wave, or the period specified in the applicable license key delivered to Licensee for the Evaluation Software and any extensions thereto (the "Trial Period"). Licensee may not make use of the Evaluation Software and the Output for any commercial or production purposes. Licensee shall not make the Evaluation Software, and the Output available to any third parties.

(b) Rogue Wave may provide Licensee with limited installation support for the Evaluation Software during the Trial Period.

(c) Upon the expiration of the Trial Period, the license granted in Section 10.1(a) above shall terminate, and Licensee shall uninstall and cease use of the Evaluation Software. Rogue Wave may also include a "time bomb" within the Evaluation Software that shall prevent use of the Evaluation Software after the Trial Period has expired. Notwithstanding the Trial Period, this License Agreement shall terminate immediately upon notice from Rogue Wave if Licensee fails to comply with any provision of this License Agreement.

10.2 Exclusion of Warranties. ALL EVALUATION SOFTWARE AND MAINTENANCE SUPPORT SERVICES THAT ARE PROVIDED BY ROGUE WAVE OR ANY OF ITS AFFILIATES ARE PROVIDED "AS IS." NO WARRANTIES OR COMMITMENTS, EXPRESS OR IMPLIED, ARE MADE WITH RESPECT TO THE EVALUATION SOFTWARE OR MAINTENANCE AND SUPPORT SERVICES SUPPLIED BY ROGUE WAVE HEREUNDER, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SYSTEMS INTEGRATION, TITLE, SATISFACTORY QUALITY AND NON-INFRINGEMENT. THE SOLE REMEDY OF LICENSEE FOR ANY ASSERTED DEFECT, ERROR, OR OTHER SHORTCOMING IN THE EVALUATION SOFTWARE IS THAT LICENSEE MAY REQUEST MAINTENANCE AND SUPPORT SERVICES FOR EVALUATION SOFTWARE.
